

## SPECTRA LED STRIP LIGHT

### Specification

|                          |                          |
|--------------------------|--------------------------|
| Name                     | Spectra LED Strip Light  |
| Actual Power             | 9-10W/M                  |
| Input Voltage            | AC180-240V 50/60HZ       |
| Dimmable                 | No                       |
| Main Material            | PVC                      |
| Size                     | Φ13.5 X L100M X IPC      |
| Light source             | LED SMD                  |
| C.C.T.                   | 3000K / 7000K            |
| Driver                   | ce certificate           |
| Installation Accessories | w/plastic sleeve         |
| Operating Temperature    | -25℃~+50℃                |
| Storage Temperature      | -20℃~+40℃                |
| Humidity                 | 10%~65%                  |
| IP Rating                | IP65                     |
| Warranty                 | 1 Year                   |
| CRI                      | ≥80                      |
| Surface Finish           | TRANSPARENT UV PVC COVER |
| Adjustable               | YES                      |
| View                     | 180°                     |
| Min.Illuminated object   | 4-5 LM/PC                |
| Approvals                | CE/ROHS                  |
| Item Code 3000KWW        | R8S1320                  |
| Item Code 4000KNW        |                          |
| Item Code 7000KCW        | R8S1315                  |
